

ALPHA POWER

The industry leading grass and forage fertilizer, specifically engineered for promoting vegetative growth while improving nutrient density and thus forage quality. ALPHA POWER also delivers a host of beneficial microbes and corresponding food source.

CROP TYPES: Any crops being grown for forage purposes.

APPLICATION

Foliar apply at an early stage of vegetative growth, ideally within 7 days after cutting. **4 - 5 gallons per acre.** For best results, use in conjunction with **CORNERSTONE** product.

CONTAINS

Vitamin hormone enzymes, organic acids, humates, nitrogen, calcium, phosphorous, kelp, chelated trace minerals and ocean minerals

BENEFITS

- Accelerates vegetative growth
- Improves overall forage quality
- Improves palatability
- Promotes disease suppression
- Immediately available – ionic form

ALPHA POWER

9-1-0 | Ca-11
Commercial Liquid Fertilizer
